CAMPING - at AIRFEST 2022

WELCOME!

Dear Camper,

We would like to welcome you to our AIRFEST 2022!

This will be our first year with a designated Camping area. We hope that you and your guests will join us and camp with us at this year's Airshow. The Airshow will be taking place June 24 through June 26, 2022 at the St. Thomas Municipal Airport.

As a registered non-profit organization, Southwestern Ontario Wings and Wheels Association raises funds through our charity event AIRFEST 2022. Supporting community-based service providers, not-for-profit and charitable organizations.

On the following pages, please find the Campers Handbook. Should you have any additional questions, inquire at vendor@airfest.ca.

The added benefits of Camping at the Airshow is our on-site parking, 4 weekend passes, in and out privileges, and much more. We recommend that you apply early as we have a limited number of spaces available.

We look forward to welcoming you to our show.

Paul Nicli
President

AIRFEST 2022 has established an area for camping for the weekend of the Airshow on the airport grounds. A resident host will be at the campground for the duration for check-in and to monitor activities.

Access to the campground is easy as it is located at the entrance to the Airport, on the north side of the Hangars. The airport is located just east of St. Thomas on Highway #3. Once on-site you will be directed to your approved camping site.

YOU MUST HAVE EITHER YOUR CONFIRMATION LETTER WITH YOU WHICH CONTAINS YOUR CONFIRMATION NUMBER or ticket purchased online.

On presentation of this information, the gate attendant will give you a package containing a car parking hanger which must be displayed from your rear-view mirror at all times. For those who have purchased weekend camping, you will also get a wrist band for each occupant of your site (up to 6) and they must always be the same six for the weekend.

Notes about the campground: This is not a provincial campsite but rather 'dry camping' on field grass, without shade, on the perimeter of the airport. There are no power or water hookups, but access to a tap for potable water is provided. RV's must be self-contained, but pump-out may be arranged on-site for an additional fee.

While the spaces are approx. 20x50, they can generally accommodate all types of RV's, trailers or two vehicles, if they do not exceed 6 people per site.

Campsites are on first come, first serve basis and site opens Friday at 12 noon and show days of Sat-Sun from 7am-9am.

All campers must depart by Monday at 12 (noon). Portable washrooms are available in the camp area.

For the quiet enjoyment of all campers, if you have a generator, it must be quiet running or leave it at home. Campsite gates close each night at 10:00pm and reopen at 9:00am.

You can leave your site to go into St. Thomas, however you must return before the Camp Gates close. You will also require proper identification to access the grounds and for easy identification by show staff.

Open fires are not permitted as all camping is on dry grass, but enclosed BBQs are allowed.

It is recommended that you leave your pets at home as they are not allowed onto the inner show field. Hard sided coolers are not allowed into the inner show field, but soft sided ones are.

Be aware that security will be inspecting all backpacks, coolers, etc. entering the inner field.

FRIDAY JUNE 24th TO SUNDAY, JUNE 26th, 2022
